

ALL IN ONE FUEL SYSTEM CLEANER + ETHANOL TREATMENT

🔥 CLEANS + 🛡️ CONDITIONS + 🛡️ PREVENTS

Engine performance is affected by everything from carbon deposits and corrosion to heat and friction. Gumout® All-In-One® Complete Fuel System Cleaner uses P.E.A. (polyetheramine) to effectively remove carbon deposits other products can't for improved performance across the fuel system. All-In-One also helps extend the life of key engine parts by conditioning fuel to fight corrosion and helps improve horsepower and fuel economy by reducing friction in the upper cylinder.

- Improves Fuel Economy
- Fights Rust & Corrosion
- Reduces Frictions & Wear
- Cleans Entire Fuel System

Information

Size	US Item #	CAN Item #
10oz	800001366	30001
12oz	510104	

⚠️ WARNING

This product can expose you to chemicals including Naphthalene, which is known to the State of California to cause cancer. For more information go to

www.P65Warnings.ca.gov.

Directions

800001366 - 10oz

- Add entire bottle to nearly empty gasoline tank at time of oil change.
- Refill tank with 18 to 25 gallons of gasoline.
- Do not refill tank until near empty.
- Repeat every 3,000 miles at time of oil change.

Oxygen sensor safe. Safe for use in turbocharged and supercharged vehicles. Will not void OEM/manufacture's warranty.

510104 - 12oz

- Add entire bottle to nearly empty gasoline tank, ideally at time of oil change.
- Refill tank with up to 25 gallons of gasoline.
- For best results, do not refill tank until near empty.
- Repeat every 3,000 miles.

The product will not harm catalytic converters or oxygen sensors. Can be used with all unleaded, oxygenated, and reformulated gasolines. Safe to use with other Gumout® fuel additives
