

REGANE HIGH MILEAGE FUEL SYSTEM CLEANER

🔥 CLEANS + 🛡️ CONDITIONS + 🛡️ PREVENTS

Engines with over 75,000 miles can suffer from extensive carbon deposits and excess friction. Gumout® Regane® High Mileage Fuel System Cleaner reduces friction in the upper cylinder to improve fuel economy while using P.E.A. (polyetheramine) to effectively remove deposits other products can't for restored performance.

Information

Size	US Item #	CAN Item #
6oz	800001365	800001742
12oz	800001365	800001742

⚠️ WARNING

This product can expose you to chemicals including Naphthalene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Directions

800001365 - 6oz

- Add entire bottle to nearly empty gasoline tank, then fill tank with up to 21 gallons of gasoline.
- For best results, do not refill tank until near empty.
- Use every 3,000 miles.

Specially formulated for vehicles over 75,000 miles. Oxygen sensor safe. Safe for use in turbocharged and supercharged vehicles. Will not void OEM/manufacture's warranty.

800001365 - 12oz

- Add entire bottle to nearly empty gasoline tank, ideally at time of oil change.
- Refill tank with up to 19 gallons of gasoline.
- For best results, do not refill tank until near empty.
- Repeat every 3,000 miles.

The product will not harm catalytic converters or oxygen sensors. Can be used with all unleaded, oxygenated, and reformulated gasolines. Safe to use with other Gumout® fuel additives.
